“ *I will always remember us joking about the fact that you had the same names as my son and I had the same name as your mother. May you rest in peace my friend. Your PhD friend Janette Howard.*

Janette Howard - June 18, 2014 at 12:29 PM

SL

I will always remember you as a good friend and colleague. You always had a smile on your face. Your PhD friend Sheila Long.

TT

James took courses with me at SIU and I was on his thesis committee. He was a wonderful student and a wonderful human being. To me he was a powerful example of Christian humility and faith.
