“ One of the most wonderful experiences of my life was my naval experience, when my ship sailed around the world. Jim Foster was also on the ship and he became my best friend, after 60 years we reconnected..

The next highlight of my life was when Jim and two of his sons arrived at my house, in South Carolina, on their motorcycles

Our prayers are with all of you.

“ Jim & Helen Foster will always hold a special spot in my heart- many hours of my life as a teenager through my early 20's were spent at their kitchen table eating, laughing & sharing life- the ups & downs of youth?! My dear friend, Deb, their 3rd child out of 6 is who gained me a seat at their table & I got a first hand view of growing up Foster style. Both Jim & Helen were part of the "Greatest Generation" & they were the perfect example of what that meant- The Great Depression, World WarII survivors & what was most important to them both was - FAMILY & WORK ETHIC. What made them HAPPY- FAMILY! Jim was a handsome man & when he flashed that smile of his you just had to smile too! We smiled a lot- we also got in trouble some - found out our boundaries pretty darn quick- couldn't get to much by Jim- he'd seen a lot in his life & knew a CYA move if you tried to pull one!? Raising 6 kids had to have its trials! My sympathies to the whole family. Was happy to get to spend some time with Jim at the hospital, week before he passed- shared great memories of his War days & meeting Helen! He could still make me smile when he smiled. Deb- know this because he knew how close we were- we of course spoke of you & Mike that day. He loved you 2 & was so thankful you had found each other & said- I just don't know what I would do without them & just shook his head & smiled. He was anxious to see you the next morning so you could get him home to die - he told me that - he was counting on that! You did not let him down when he needed it most! Jim & Helen - hope you are flying high together in heaven- hope we meet again - I'll fix us a 7&7- 4 finger one with a lemon- the way you like um!!
Gone but never to be forgotten !

Ya, Sherry we all climbed in my dad's car after I got my drivers permit and the last thing he said when he gave me the care to take the test, was, "don't fill that car up with friends, take the test and bring the car back to me." The was the last thing we did, and I wondered how in the world he found out I had all you girls in the car! Small town!!!!

“ We extend our sympathies to Jim's family and many friends. I knew him as Carlinville's Tri-City Grocery manager. My mom always shopped there when I was young, and I remember him as a fine gentleman, always friendly and ever helpful.

“ I have different memories. As a young girl went with my mom to Tri-city it was "the" grocery store. Jim was always up in his office right above the hostess cupcakes-my treat and he always was friendly. Then I went to school with Jim jr. . I then married Dennis Bilbruck who was the son of Jim's mother twin sister so got to know the family from a different perspective. I well remember Sheila and others and their kindness at the time of the last days of mom Malham's life. My thoughts and prayers are with all of the family at this time. Linda Harp Bilbruck
