“ *I have not seen Jim in many years but was able to talk with him on the phone not long ago. Jim is a great guy and we had a lot of laughs together going back to our CSUDH years in the late 80s and 90s. Jim always was available to make us laugh and share good times. He will be missed.*

“ *I met Jim at CSUDH in 1990 . I worked with him on many projects in the media department with Mario as well. We became great friends and enjoyed many a party together especially at the house in Long Beach. I will miss "Dr. Suds" He was like an older brother to me. Cheers Jim!*

“*Hello, my name is Lara Brookes and I am a former student of Professor James Sudalnik during his teaching career at California State University Dominguez Hills. I have been wanting to contact him for the past two years to inform him that a former student of his had passed away who introduced me to Doctor Sudalnik when I began my career at Cal State Dominguez Hills. I not only had the privilege of having him as my professor but I was able to interview him for another class project. He was a delightful man, a very caring person with a great sense of humor. I also had the pleasure of meeting his daughter Kendra who was in my Media Law class at Dominguez Hills. I want to express my deepest condolences to his daughter and family. I too, know the heartache of losing a loved one, having lost both of my parents in the last 4 years. Jim was a great mentor for me as a professor. My deepest condolences to his family.*

*Sincerely,*

*Lara Brookes*

“ *Jim Sudalnik was a very creative and caring person. As a brother he liked to do new things and have an adventure. He was a loving father to his daughter, Kendra and to his wife Ariwan.*

*He is in a better place now and he will continue on to his next adventure. See you up the line, Jim.*
