There are too many memories to share them all. I remember Uncle Willie always being there. At Mom's for Holidays or just to get together and grill chicken (when I was a little girl). I remember him surprising me for a visit when I lived in Oak Park, Ga. I remember him always making us laugh about something and him bringing up his memories of things that happened in his past. He usually always made any occasion a happy one. I am going to miss him dearly, but he will never be forgotten and I will always love him. Cyndy and Frank you are in my thoughts and prayers.
