“ I took care of Jamie Rose for a few years. Such a sweet, caring person who stole my heart. How can a person who once was a stranger to you become so loved and a family to you. I will cherish every moment i got to spend. I will miss that beautiful smile and soul. I'll miss the jokes, I'll miss the girl talks, I'll miss you telling me how beautiful i am ever. All the compliments you gave. I'm so blessed to have met a special person like her. And all the memories we made. I love you forever my girl!
