“ *It is with sadness that I write today. Jane has left us to meet her maker and her heavenly family.*

*I will always remember her love of a Sunday football game, then a home cooked meal to follow. She was a great cook but made the best mac and cheese!*

*Then there's the countless softball games she attended. Lawn chair in hand would be walking to the field and stay there the whole game watching and rooting for David's team to win.*

*Jane had many interests while she was here. She would play cards, loved to go to the boat to gamble, fish, excellent bowler, gardening and I can remember her on a tractor mowing their house on the hill.*

*David and Jane would always win the couple who was married the longest at parties. They enjoyed nearly 60 years together.*

*To David and Lynn -So now she is gone. Your mother always treated my family with kindness and her memory will be with us until we all meet again.*
