“ On behalf of myself, Jane Williams, and my son, Garrett Williams of California, my sincerest condolences go out to Jarett's family. There was a time when our boys were young, that they shared a friendship. They grew apart as they got into high school, but when Garrett told me about Jarett's passing, he was very sad and upset. Old friendships never fade.... Jarett had reached out to me several years ago through Facebook Messenger to ask my advice about dementia and I was honored that he reached out to me for assistance. He seemed so concerned about his grandparent and I hoped that I was able to help him.

*My heart goes out to all of you during this difficult time. May your memories comfort you in these coming moments of grieving. Garrett and I are currently out of town together on vacation and we will be unable to attend the memorial service and for that I am truly sorry.*
