I loved you just like I loved all of the kids. I guess I had an extra special spot in my heart for the Music Department. After all you all started the SCC MOM thing to begin with. I will miss you but I know I will see you soon. There is no doubt in my heart that you are now Sitting at The Right Hand Of The Father Jesus Christ. Until we meet again in GOD'S HOLY OF HOLYIES. “ Jarod! So, sorry to see you go. You and I have been knowing each your for years! You was my number 1 pitcher, and I was your catcher. I can remember many days and nights you, your father and I working out before games and practices. Baseball games that, you did not want to finish but I push you and you did, what a great pitch does ,WIN!!! We had close games, we lost games, and share but we won games as well .The times you and I share stand with each your looking down at the Egyptian ball field asking each your about each your day and laughing about fun things will never be forgotten. I can still see you stand on the hill, waiting on my slow tail to come on to work on calls and hand signs. Telling the our guys you was cool until I got there. WE HAD A GREAT BOND! LOVE , YOU LIKE A BROTHER, !! Brothers of the Baseball field FOREVER! Larry James Wilkins Jr!!!

Dale, Linda, & family: We are lost for words to describe our sorrow upon hearing of Jarod's death. There is no explanation of WHY. At our son Isaac's untimely death, the only thing we could cling to was our faith that GOD IS STILL IN CONTROL. Like you, we eagerly await our promised reunion in heaven. Yet, here on earth, grief is overwhelming.

“ I have spent the past 36 hours trying to find the words to express how very sorry I am for your loss. The memories of Jarod's presence in our family's home have come flooding back. I can hear his contagious laugh, see his smirky grin, and giggle at his sarcastic sense of humor. He was a true gift for my brother, and I am so very thankful for each and every moment that they spent together. I am certain that he kept Michael out of A LOT of trouble while playing an important role in making him the man that he is today. I will never be able to think back on those years without remembering Jarod, Stevie, and Michael as three peas in a pod. I spent a few minutes last night looking through old photographs in search of one of the three amigos. Instead, I found these two photos and the "shared" tie. I think that they decided one tie between them was more than enough. The Holmans will be praying for all of you. (Michelle Lipe-Holman)

“ I have many wonderful memories with Jarod or j-rod as we called him. We spent three years of college together in music school at Shawnee and at SIU. There was never a day he didnt make me laugh. He was my cousin but at that time in college more like a brother. I am so sorry to his parents and sister. He was loved by many and all our college classmates share wonderful memories as well. “ I had many classes throughout my high school career, and most of them are a blur. However, the two classes I took with him are imprinted into my memory. He truly made getting up and going to school worth it for a lot of students. Not only did Jarod Shumaker teach us the material, but he taught us how to open our minds to new thoughts. He was always encouraging, an amazing person. He will be missed, but never forgotten.

I believe this to be especially true of Jarod. I had him for 1 semester yet I think of him all the time. Jared doing what he did best. This group was known as Aria 51. From the article written when Aria 51 played...

:The Vienna High School Jazz Band, known as "Aria 51" under the direction of Jarod Shumaker, was the Thursday night special at Kornbread Junction on March 23rd, 2006 in a dinner concert that benefited Project McGinnis. Mr. Shumaker stated he was glad to receive the invitation to play and was looking forward to a good show. Aria 51, in their second gig of the year, performed a list of favorites such as "I will follow Him, Jimmy Buffet's "Volcano", the James Bond theme, Danny Boy, and several other selections, including a gospel tune "Wade in the Water." Mr. Shumaker personally entertained the crowd with his version of the "Bat cave" and his imitation of "Jaws". This truly is an exceptionally talented group of kids and Mr. Shumaker has done a fantastic job with them."

Jared; you took a group of kids and made them into one of the greatest bands Vienna High School has ever had. Thank you for not just doing a job, but being a friend and a mentor to so many.

I pray the Comforter surrounds your family during this tragic time.
