“ Jeff used to come into Mary Lou's in Carbondale from time to time after I took over from my mom in 1990.He was so happy that I remembered him from our high school days. It was always nice to see him. I pray he is at peace now. Praying for you all.

“ Jeff had a kind heart. So many memories watching him grow up. All the family get together I can still see him & the others cousins setting on my Grandma's couch, in a row waiting for Christmas presents to be handed out (all boys) now two of them are gone. Jeffery will always have a special place in my heart. You will always be remembered. Rest in peace

“ I'm so sorry for your loss Frankie and Bob. Jeff and I grew up together and were good friends in high school. We lost touch with each other. He went to work in construction and I went to Chicago to work on the Railroad. After 35 years I retired from the railroad and came back to Murphysboro. I wondered what happen to Jeff but nobody seem to know for sure. Wish I had looked harder. Joey martin
