“ I miss you every second my beautiful little sister. Reading this makes it a reality that you are gone. I love you so much. Life will never be the same for any of us. Everyday we spoke and midnight was our nightly appointment call. I keep looking at my phone waiting for you to call and message me! Seems unreal!! Until we meet again I'll always hold onto our life full of memories! Rest in the arms of Jesus bc you are free sis! Sunday the chains broke when you chose to give your life to Him. I'm a witness. The greatest thing I ever witnessed.
