“ *I first met Jerry when he moved in across the street from me, we were 8 years old. Jerry and I were close friends from then on through high school. We made a lot of memories playing and working together. We drifted apart after high school but, I will never forget the friendship we once shared. I am so sorry for your loss.*

“ Jerry was one of my best friends through high school. Although time and distance separated us when I went into the military I'll always remembered him as a great friend and knew he would be a good man. My sincere sympathy for the loss to the family.
