“ I got to know Jerry in the early 80's while I was playing baseball for SEMO. He was always very nice to me. I'd still run into him around town occasionally as recent as a few years ago and he would always stop to talk and catch up on how I and cousin Kenny were doing. Never too busy to stop and talk. Thanks for always getting us to our games. Rest In Peace Jerry.

“ Jerry was our bus driver when I at College High. We weren't always the easiest bunch of kids to deal with, but Jerry was always patient and fair, and never lost the concentration he needed to keep us safe on the road.

He was a really good, honest guy and I am truly sorry to hear of his passing. Our thoughts and prayers are with Jerry's family.

“ Jerry and Al were both bus drivers when I was at University High school in the 70s. They were always polite but didn't put up with our being too loud on the bus. I remember one of them stopping the bus and telling us we were returning to the school if we didn't settle down. It's been a long time since I've seen them but still remember their parts in my life. I'm so sorry for the loss of Jerry.

“ As a former SEMO baseball player in the early 1980's is where I had the pleasure of meeting Jerry. He drove us to all away games and to our regular spring trip to the Florida panhandle. He always delivered us safely and in plenty of time. He was such a kind person and loved to talk. God's peace to his family as heaven has gained another fine individual.
