“ *Married into the family (husband of Joan's sister, Donnas daughter) , at first family holiday, and first time I met her, she looked at me said "So what's your deal"? I nervously chuckled, then she said "wana see my tattoo, it's on my butt". I can't repeat what she said next, but let's just say she made me feel loved, accepted. and part of the family. Glad to say, myself, and our son, had the gift of meeting "aunty Joan".*
