“ I'm heartbroken to hear of the loss of one of our former residents at Daystar. He was a wonderful, humble Christian servant who loved God. He often prayed at our special events at Daystar and read Scripture on Sundays for our church services. He made sure we all had a copy of the bulletin from Mighty Rivers so we could follow Pastor Potts's sermons. He was devastated when he could no longer attend church with Bonnie, as Mighty Rivers was probably the most important thing in his life. He enjoyed keeping up with the news from Ballard County and read the paper weekly as long as he was able. All the residents and staff loved him, because he loved them, always thinking of others before himself. He will be sadly missed. Heaven definitely gained an angel.
