“ *Growing up, I remember going outside to chat with John every time he came by with the water truck from '90-'99. Never anyone nicer, as honest, or as caring. He will be greatly missed. To his family, I am sorry for your loss of such a great man. His legacy will continue to live on in a lot of people's hearts, including mine.*

“ My sincere condolences to the family. Was so sorry to hear of John's passing.
I have to go back to the days of Jonesboro Elementary when the kids played baseball.
I remember Callie doing very well. That is where Bud and I saw John and Juvata more than anywhere else. They loved the game, cheering their kid on from the sideline.
May the Lord bless the family and give you comfort in your loss.
I am sure the fans are cheering from the sidelines today for the life of John Carter.
