“ *Betty and Kids. I know this is a heart-wrenching time for you as you not only face John's death but struggle to deal with his funeral and burial. I send you my Love and my deepest sympathy. John was a great guy. He always had a smile just like the one in his picture. His dogs are going to miss him. As we all will. I plan to be there Thursday, but I am having a bleeding problem that may make it impossible. Hopefully, it's better by then. Thank you for being there with John. You've been a wonderful companion when he needed it most. Love you, Dear.*
