“ Still think about you my man. Even if you can't hear me, or see this, I hope your mom does. I hope she knows you know had a lot friends that cared about you, even ones of who never met you face to face, like myself. I can't even count the days of my childhood we spent playing video games all night.. best times of my life bud. I hope to see you in heaven, where you're not bearing any more burdens or pain. With all the love in world, Rest In Peace ❤️
