“ *Lee and Taylor*

So sorry to hear about Jons passing. He was such a kind and giving person. While he helped Norma out, he also did so many things for my mom also.

Your family are in my thoughts and prayers and may God give you strength to go forward during this difficult time.

Hugs,

“ So sorry , Lee, to read about Jon's passing. He gave it the fight of his life for a long time and am sure he couldn't have done it without your love and support. I remember how proud he was of the massive Christmas town he put up in your home every year-it was so beautiful!
God bless you and your family,
Rita (retired transporter)

“ Lee, I was so sorry to read of your hubby's passing. I know how much you were devoted to him and how you continued to care for him the past years. I remember all of the times you were working in the dialysis unit and I was working on 3C. Please know that you and your family are in my daily prayers.
