“ *One of my most favorite memories of my Aunt Joyce is the weekends we spent at the farm. Tammy, me, Danny, and Bryan spending the night. Aunt Joyce would fry us up some fish, hang out with us while we listened to Uncle Barney play music, then then tuck us in at the end of the evening by the big black stove that kept us warm all night long. She always had love in her heart. And now to be pain free and in the same Heavenly realm with Grandma, Pat, her sister Linda, she is now showering her love on us from afar. All my love! Chelle*
