“ *Joyce taught me many things, not the least of which was how to show class and dignity under the worst of circumstances....She taught me how to laugh even when things were unbelievably sad...! I wish I could have one more conversation with this sweet lady...

“ I will never forget the time I first met Joyce (my sister-in-law). Her sister (my wife) and I had just arrived at her and Jerry's house in Ellington. We just got to the front door and the door flew open before we could even knock. The next thing I heard was one of her most favorite greetings, "Get your fuzzy butt in here!" After a big hug and that warm welcome I could tell it was going to be a grand first visit. Between Joyce and Jerry you always felt welcome in their home or anywhere else for that matter. Wish I could be there for the service. Just know that you all are in my prayers and have been ever since we met. JD
