“ *Occasionally through the years I look up Michael to see what he looks like and what he is up to. I used to be his caseworker in Denton and worked very hard with him and the family. I happened to run across Judy's obituary and recognized Michael's sisters names. I am so sorry for your loss. She was a very sweet lady in a very difficult situation back in the 1990's. I never forgot Michael. My love to all, Renee Fuller*

“ *This year turned out to be very difficult. But we have optimized and reduced the cost of our products!  
It is almost impossible to find prices lower than ours, the sale is at the cost price level.  
Watch and be surprised by our super low prices <https://is.gd/72jG3l>*
