“ June was one of the sweetest people I have ever met. Of course, she always had a smile when you knocked on her front door, but the thing that impressed me the most was her love for her children. She was always willing to help with the grandchildren in so many ways. It is so difficult, I know, to say goodbye to your mother, but the memories she has given you will never leave. Always know that she is in a better world, giving Jesus a hug. May God Bless you all.
