“ *I have known Kathy now for 11 years and not only was she a sweet sweet person, she was a great friend, a great listener, always wonderful to hear her stories, especially about her grand babies. She stepped in at times when I needed help with someone to watch my daughter when she was a baby. I just loved listening to Kathy telling us that she was going to retire so she can get her new grand baby full time to watch. She talked about them all the time. I am absolutely honored to have known Kathy and to have all her joy brought up to the OB unit. Thanks for being a special person Kathy and know that we will always miss your sweet sweet smile, and kind words!!*

*Your Friend, Ava*
