“ I am going to miss Aunt Kathy's easygoing nature and big hugs. She made me feel good just being around her. Staying with her and Uncle Darrell and my cousins while I was growing up was always the most fun ever and we made many fond memories. Until we meet again up yonder, you will always be tucked in my heart, Aunt Kathy.

“ i have so many wonderful memories of this lady. She was a wonderful friend as well as part of our family. She will be greatly missed by all of those who loved her. She had such wit and sense of humor. She was always laughing or telling a joke. We had many good times together through the years and even though she suffered many losses in her life time she could always find the good in a situation. Very outspoken, yes, but I never wondered what she was thinking because she would just tell you and I loved that about Kathy. She loved her family dearly and there will be an empty spot in our hearts with out her. You were loved very much..... With Love,.Sharon RedCloud

“ *Kathy and I have been friends for over 50 years and in my opinion she was truly one of a kind. She always had a smile for you when times were bad and her compassion was astronomical. Our whole family loved her. She was a very close friend to both my parents and my brother and sister. She will be surely missed and truly never forgotten. So very sorry for her family's loss. Just always remember her beautiful smile for you will always carry her love in your hearts.*
