“ *I used to skip lunch to go into the typing room for extra practice. Ms Miller would let me in there to work on my typing. It's because of her that I was proficient at office jobs throughout my lifetime. I don't think it's taught anymore.*

“ I'm so glad I had the opportunity to get to know Kay. She was a quiet, strong Christian woman who led by example and loved her family. I know her passing will leave a void in your lives which will never be filled. Wish I could be there to celebrate a life well lived. Praying for all of you during this difficult time.

She was so kind to me and mom at the lady retreat, visiting with mom and myself. It was a special memory for mom and myself. I really enjoyed her food that day and so did mom.
