“ *As a youngster I was always anxious for Uncle Kenneth and Aunt Phyllis to visit the family in southern Illinois. They would share stories of their travels and it seemed so magical. They inspired me to become a traveler. Additionally, I was impressed by Uncle Ken's military service. We all wanted more time with him. Aunt Phyllis, Lisa and family my heart breaks for you. I'll be praying for you.

“ I will always have fond memories visiting Uncle Kenneth, Aunt Phyllis and Joni and Lisa as a kid with family trips to ILL and Tenn. He made sure that the kids did fun things and we're always entertained! My mom Irene would always refer him to her little baby brother with a smile. Thoughts and prayers are with the family!
