“ *I have known Kevin for over 30 years. The last 3 years we had lost contact and we should not have. He was a good man and a very good friend to me. He will be greatly missed by so many people. He was loved by whom ever he met. In his younger days he was a nut case but no one wanted him to be any other way. Always trying to make people smile. You will be Missed Kevin. My condolences to all his loved ones.*
