*Mike, I am so sorry, shocked and upset to hear about Kim. The last time we talked she said that she was going to come back to Texas soon for another visit. She has always had a special place in my heart. Through the years she has been my neice, my baby sitter, "sidekick", confidant and most of all my friend. I know this is such a difficult time for you. I will keep you and your family in my prayers.*

*Love  
Aunt Mary Lou*
