“ *What a precious soul! The definition of a Lady, proper and dainty in her actions, kind and caring to all she meets, an amazing sense of humor, all bundled up with love. Her family was uttermost in her heart. She is so proud of all her boys, big and small. Kim is a true friend! We have traveled all over the place, hit flea markets and antique shops, played cards, shopped and made Christmas candy and cookies together, but mostly we laughed. Her illness was 4 long, hard years of treatment's and appointments. Most any complications that could happen did. Kim never complained. She is brave beyond believe and didn't want anyone to worry about her. She has a firm faith in our Lord and never doubted where her home will be but she had a hard road to travel getting there. A good and faithful servant. She is missed beyond what words can say.*
