“ *I worked with LaDonna and attended many trainings with her. LaDonna was one of the funniest people it has ever been my great pleasure to know. She was a great friend and will be sorely missed.*

“ LaDonna was so very special to me. We were connected through work (IDOC), training, and our love of dogs. (She was "god mother" to my dog Pepe -whom she brought into my life- and had Pepe's brother Riley). There are so many memories of her- our drives to Springfield for meetings and to Tennessee for trainings; attending conferences; playing practical jokes; hanging out together- I will miss her and cherish her memory every day. I grieve for Bob, for her child and grandchildren, for her dogs, and for us all- we have lost an incredible woman way too soon.

“ *LaDonna and I were friends and co workers for many years. We both enjoyed our dogs and would have "play dates" with them. She always provided me with support when I needed it and I knew I could always use her as a great job reference. LaDonna had a fantastic sense of humor and could always make you laugh (like the time she wore her piggy nose to a staff meeting and brought her mother's chicken fiddle to work!) LaDonna loved her grandchildren with all her heart and would smile so big when talking about them. We had plans for a Mexican lunch visit to catch up when she felt better. She holds a special place in my heart and I still wear the bracelet she got me that had horses and dachshunds on it. It always makes me smile when I wear it and reminds me of her. God rest your soul dear friend until we meet and laugh again.*
