“ I didn't know about this page until today, I apologize. Some of you know how I feel about LaRhonda Abdullah. I have been knowing her since she was a teenager. I worked with her father in the City and County of Denver and he is a very good friend. LaRhonda and my son were very close friends as teenagers. Things change and then she became my cousin Georgie's wife. She became my cousin-in-law. She will always be family to me. I love her and I miss her. I would go eat at Welton St Cafe just to talk to her for a minute. The last time I went we talked about my son. They remained friends for all these years. She knows me by all the names that I have been under but the one name she called me by was Ms. Darlene. Her mannerisms were perfect. Karim and Shewanda Abdullah, know that I love her and my condolences go to you and your family.
