“ *I am so sorry to hear of Larry's passing and want to share my condolences to his family. He loved taking trail rides out, sharing his love for the horses, and especially loved sharing his joy with Cassidee. I've often told the story of my personal horse rearing and spinning on the trail when she was new to the Stable; it shook me up a bit but when I told Larry he said "Oh boy, you got to have some fun!"*
