“ *This is a continuation of what I just wrote.*

We didn't stay together but we left a big impression on each other.

*I am happy he had a child. He loved to talk about her achievements.
A proud daddy.*

*He was friendly to most folks. He never showed fear. He was a
good man and he deserved to have somebody say good things
about him now that he has passed.*

*I hope you can read both parts of this message. I'm not great at
typing on my phone.*

Forgive my lateness please I wanted you to know I saw this news.
