“ David said he will always remember taking tap dance with Jayne when he was a little kid, so fun and they hoped one day to dance at Clarence Homecoming together, but he says one day he will dance in Heaven with her. I didn't know Jayne as long, but we always visited at the reunions and Homecomings, we always said, we would have been best friends in school if I had been from Clarence. Please accept our sincere sympathy to the entire family and prayers to get through the days ahead, she was the sweetest soul ever and will be missed by her Clarence, Mo friends

“ It seems like I have known Jayne forever! She and I seemed to have the very same sense of humor! We said we were soul sisters. AND.....I think we are. She always made me laugh. I am so sorry for your loss!!! I will keep all of you in my thoughts and prayers. She was a shining star in our very dark world. God bless you, my friend, Jayne.

“ i worked with Jayne at Clippard School many years ago. She always made me laugh and was so easy to talk to. In fact I had a long conversation with her a couple of weeks ago when I called to make an appointment. We talked about our boys and how much we loved them. I am in North Carolina now visiting Brooks and his family. He shared the news from Facebook last night. He graduated with Shannon. We are so sorry for your loss. Jayne loved her family more than anything in the world.

I worked with Jayne at Gastro Associates and she was the most positive, fun person I have ever met anywhere--she was a joy to know and be around and you could not know her and not smile. We shared some really good pranks together and I loved knowing her and hearing her stories--she loved her family and enjoyed life--your family is in my prayers--I am so very sorry.
