You will be greatly missed by all of us. I know you are happier now than you have been in a long time. I will surely see you when the time comes for me to pass on. I love you very much. Angie*

“ *Dear Judy & Rick,*

I am so sorry for you loss! I do not take the paper and did find out about Rick's father's death until Mother called me this morning as I was getting ready for work.

Keeping you and your family in our prayers.
