“ Larry came from a wonderful family. His dad was the best Administrator that Herrin Hospital had, his mom helped me deliver my first baby, his sisters are kind and beautiful girls and his brother Chris he was my age was one of the coolest guys to hang around with. I was his younger brother, Chris’s age and enjoyed being around Larry in high school. We looked up to Larry and his friends. He was so much fun and always had a smile on his face. I’m so sorry we lost another great guy. My prayers and love goes out to all of you.

“ I worked with Larry many years ago at Precision Mail. It was my first full time position and I appreciated the opportunity. Larry and Kathy truly cared about their employees and treated us like family. I’m so sorry to hear about Larry’s passing. May the special memories you made together help you through this difficult time.
