“ *Uncle Lee was my favorite uncle. He and Aunt Marg were like second parents to Judy and me. We spent many summers with them. I am so upset with myself for not contacting you. I thought of you a few weeks ago and was going to get your number from my dad but I got sidetracked and didn't do it. If I would have known before the day of your service, I would have been there.*

“ *So sorry to hear of Uncle Lee's passing. He lived a long life and will be missed by many. I am his brother Robert's daughter, I just heard today of your loss. I have fond memories of visiting his home when I was a little girl. So sad to lose another member of such a great family. Prayers to all of you in this difficult time.*

“ *Sweet memories Uncle Lee for all the amazing things I saw you create when I was a child. You were so patient and quiet in all your endeavors. Shame on me for not coming to see you last year. It was on my to do list. If I had known I would have been there.*
