“ We had some of the most funniest times when she first moved here from virgina....me and Dixie still laugh about some of the dumb things we did in my dad's yard growing up. These are the kinds of memories I wont ever forget. I wish I would have known when I seen her at Christmas that was the last time I would ever get to see her, I just want her to know how much we all loved her. Prayers to my brother bob and his wife Barbara.
