“ *I can remember Lew Gene from years gone by and I must say all the memories I have of him, he was smiling and always willing to go that extra mile. Now that his work on earth is done, he won't be in any more pain or suffering and he's walking with Jesus now. Oh the entries in his Lambs book of Life is surely one we could all take lessons from. May you fly with the angels now and may the family find comfort and peace in the coming days.*

“ *So many memories of this man and his family since I was a child. Growing up was fun and loving. He treated my mother and me like family even after mom was divorced out of the family. I know he is flying high with the angels and him and my mom r looking down on all of us, but man I'm missing him and all his advice. Love u Uncle Lewgene*

“ *This man had a heart of gold. He would give his shirt off his back to anyone. Bro never met a stranger, it was always a friend/family. He always showed Godsnlove to everyone, and always spread the word of God to everyone. We know he is in a better place now, no more cancer no more struggling for his breath, he is made whole. We love you bro and will always remember our memories we have together. Our hearts ache but we know where you are now. R.I.P bro. Until we meet again. Prayers for everyone impacted by this.*
