“ My momma was one of the sweetest most loving and caring mother/grandmother anyone would want in their life. I am so proud to be one of her daughters. Not only was she a wonderful mother, she was a wonderful grandmother to her four grandkids. They loved her so much and she loved them even more. Even though they got on her nerves at times, you would never hear her say they were doing anything wrong. Momma worked hard all her life, even up until the day she passed. She always made sure there were hot meals on the table and clean clothes on all our backs. She always made sure her yard looked nice and their vehicles were spotless. There was nothing my momma wouldn't tackle. In her younger years, it would be nothing for her to jump on a tractor and disc ground or hop into a dump truck and haul grain to the grainery. People at grainery would ask if she needed help, she would say no I got it, thank you. The only thing I could remember she wouldn't do is operate a combine. Dont get me wrong, if she had too she would have done it. Momma would always keep her church clean and tidy. She was their janitor for years even up until she passed. She made sure every Saturday she would have it in order for Sunday services. Her church family loved her just as much as we do. Through everything she did she even made time to babysit her grandkids. She touched so many lives in her own way. I hope and pray I can be the type of mother to my kids as she was to me. Momma was everything to me. Not only have I lost my momma but I have lost my best friend. Momma was always there when I needed someone to talk too no matter what it was about. She always made time for me. MOMMA, I LOVE YOU SO MUCH!!!! YOU WILL FOREVER BE IN MY HEART!! Momma, one day I will see you again, I promise that and what rejoicing that will be. I know in my heart you are in peace and in no more pain. I know your walking with Jesus cause in my heart I feel I helped you get there when I was at your side when you left us. I seen the peace in you, momma. I miss you so much there are no words to explain how much. God finally received his angel. Love you, momma.

“ My mom was one of the best she keep us kids in line. We all knew she loves us including all of our friends because she treated all of them just like she did her kids. She always said she going to make sure Cierra graduate from high school and she did that because she was strong person due to she was sick for over 19 years. No matter what I did or how mad she was with me she would always say she love me. She was also one of the hardest working women I knew and got to be to live with my dad. Her and Davine would set on the couch and talk at night she would ask Davine what she wanted to eat tomorrow and when tomorrow came Davine would have it. I am going to miss my mom and my best friend.

“ I remember Linda quite frondly when I met her while I was the pastor at Ullin Baptist Church. I remember stopping by & visiting with her, Terrel, & the girls. Although it has been many years since I have seen her, I have not forgotten how she always made me feel welcomed at her home. I remember her calling me “Preacher”. I wish to express my sympathy to Terrel, the girls, rest of family. When you are good to people, you are not forgotten. Looking forward to the day when I shall see her again in “Glory”!

“ I'm so sorry to hear the loss of Linda, my sympathy goes out to Terrell, the girls, grandkids, and the rest of her family. My thoughts and prayers are with you all. Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your heart. Linda was a dear friend, I remember the times I use to wheel around in town in the summer mo's. I use to stop and talk with the ones who were sitting outside, Terrell and Linda were usually sitting on their porch, I would stop and talk with them for awhile, we would share memories of the past when we were younger and then laugh and joke about them. Linda would always ask me if I would like something to drink, I usually said no, and thanked her anyway. Linda was a lovely woman and spoke softly, she worked hard around her house and kept her yard looking nice, she was a kind hearted person. God gained another angel in heaven, we will miss her but she will never be forgotten.
