“ Just to get the record straight her father was Ernie Barrett and she had one blood brother Ronald Barrett and she was the proud owner of the Beehive which was the best bar in 4 counties and Linda was a great cook and people came for the food and the party. She was a great Lady with friends from Florida to Oregon and we will miss her terribly.

You are somewhat correct. Her blood father was Ernie Barrett.... But her father was Allen Wallace. And the cook part.... You are very correct... She was the best cook in southern Illinois. But as for the friends from Florida to Oregon... You are very mistaken. She never met a stranger and had friends all over the world. Thank you for your kind words!
