“ *Mark and I are so sorry for your loss. Mark has known Linda for a  
long while. I met Linda over 20 years ago whenever she was selling  
Home Interiors. She was a very special person and I will miss her  
very much. I just saw her a few days ago and she was her usual  
self, full of energy and as sweet as ever. God has just received a  
very special angel, I just wish we could of had her here a little bit  
longer because I know she would have wanted to be here for all of  
you to do what she did best, being a very special mother,  
grandmother and wife among all the other roles she played in all of  
our lives. Just know she will be watching over all of you in heaven  
as she did here on earth. God bless all of you and your family and  
friends. Goodbye Linda, you will be truly missed and I am so glad  
that I met you and knew you all of these years! Love, Kathy and  
Mark Pierson*

“ C. J. and family, I am so sorry for your loss. I always ask Linda about the family when I shopped at the Dollar Store. She glowed when she spoke of her children and grandchildren. She was a special lady always busy helping in the store and joking with the customers. I will miss her and her stories of her family she loved.
