“ *My Dear friend Linda was a compassionate, kind person and you won't find anyone more beautiful on the inside.*

Linda was a counselor by trade and she touched many peoples lives in a positive way; I remember she put on a weekend class, training people who had to go through special training after a DUI. No, I was not there because I had to be 😞, I was there to help her get people signed in, etc.

Linda was also a BBQ expert, in the late 1980s, she was even sponsored by Bullseye Barbecue Sauce. One competition I attended with her, they were short a judge; Linda encouraged / volunteered me and in a matter of minutes, trained me on how to judge BBQ (!). Talk about a “dream job“ and it turned out to be an awesome experience (!)

*Thanks Linda for everything, especially for being my friend...
Love and miss you... 😞 Dennis*
