“ *I had the joy of working with Lisa for twelve years at Southern Illinois University Press. Lisa was very intelligent and very good at her job, and she had a wonderful sense of humor that lifted our spirits every day. She was one of the finest human beings I've ever had the pleasure of knowing, and my prayers go out to her husband Rick and her parents, and to her dog Bailey, whom I had the pleasure of escorting for walks around the neighborhood on the many occasions when Rick and Lisa invited me to their home.*

“ *Dear Debbie,
You and your entire family are in my thoughts and prayers today. I know how hard the waiting and worrying must have been for all of you. Your sister was very beautiful and I'm sure she was a beautiful person to know as well.
Your BSP sister,
