“ *I enjoyed all of the great stories of how him and mama meet. I loved going fishing with him and watching him play his solitary game on the computer. And most of all I enjoyed all of the ""hay you"" and just spending time with pops. I will cherish all of the memories we had together. R.I.P pops and I will see you again soon.*

“ *Everyone who knew Lloyd knew him by pop's! He would give the shirt off his back to anyone in need. He has opened his home for many to have a place to lay their head. He was an amazing man, he's taught me so much over the years. I loved it when he introduced me to someone he'd say "This is my daughter"! "Well really she's my daughter in law but more like just my daughter. I'll miss our countless amount of hours sitting at the kitchen table drinking our coffee listening to our music. God has a wonderful man on his team now. I'll sure miss hearing his word's "hey you"... Your grandbabies and kid's will always cherish the memories we have with you. Rest in peace with Mama. Love Always and Forever!*
