“ *I'm so sad for Loie,s family. This is quite a shock to all of us. Loie was such an upbeat person and she loved life to the fullest. She loved people and would help anybody with anything. She was a beautiful soul and will be missed by many. I'm proud to call her my niece. R.I.P ! I miss you so much already. Your uncle Danny and I, along with your cousins will never forget you., 😭😭. WE LOVE YOU!!!*

“ I worked with Loie for the past 3 years. She will be dearly missed. I will especially miss all of her stories. Especially, the night she hit a deer on the way to work. She was so upset. But, when she was giving details: the deer got up, chased her and her dress got stuck on the car. I told her I wish we could've gotten that on video. 😊
