“ My condolences are extended to her sons and family today. Lorna was a sort of a quite girl when we were in school. A very nice person and beautiful inside and out. She lived in Alto Pass in my Mom's use to be home. So glad she did for knew would take care of it as her own. After going to live with Greg, we began to text each other. We tried to support each other about our health conditions. A very great Christian lady. I will miss her so much.
Rest in Peace, my dear friend.
God Bless all her family
