“ *We thought alot of your mother. She was a good friend for many years. She and I worked together for a few years when she worked at the resturant. She was always kind and had a smile on her face and it was obivous that she loved her family. She will be missed even though she was away from Ullin,she was never far from our thought's.We are very sorry for your loss and will say a prayer for the family for comfort and peace during this difficult time.*
