“ *Luke was a great young man who brought light to every room he entered. Sherri and I were so saddened at his loss. So many memories of his time working for us. He was a top notch employee and a great friend.*

Condolences to the entire family. Unfortunately due to schedules and logistics we have had to miss the services but know we are praying that peace would come into the hearts of all family members suffering this untimely loss.

“ I met Lucas about a year ago while preparing and having an auction at my farm with the Cannings. He was so polite, friendly and funny. He was a good young man. My thoughts and prayers are with his family and friends. Taken too early.
