“ *I'm so sorry about the loss of your sweet Mother. I am so glad our Mothers were neighbors and friends during the last years of their lives. When my Mother came to visit, she called your Mother often. They were able to share a lot of stories from their past. And also not to mention - they talked about the latest happenings in Dongola.*

“ *Lucille was always kind and patient with the "wild child" who came to sunbathe and swim at her house on the lake and I am sure she worried about Sharon being with me at times, but she was a gracious and loving woman. Sharon and Norman I treasure those memories and pray for peace for you all. Candi (Carmen Howell) Brown*
